Power to the People is launching a new **Solar Lighting Program** that aims to bring affordable solar lighting and cell phone charging solutions to rural families in Nicaragua. We're making the world a brighter place, **and we need your help.**

The Solar Lighting Program promotes entrepreneurship for women to sell solar lights to their communities, creating jobs and helping grow the local solar economy. Your contribution is more than a donation, it's an investment. When a family pays back the cost of the solar light, your donation will be reinvested to bring a light to a new family. This means your donation keeps on working, time and time again.

YES! I support solar energy and want to help bring solar lights to rural families in Nicaragua.

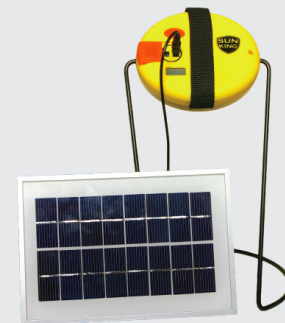

- \$50 donation (helps bring a solar light to 1 family)
- \$100 donation (helps bring solar lights to 2 families)
- \$200 donation (helps bring solar lights to 4 families)*
- \$500 donation (helps bring solar lights to 10 families)*
- Other amount: \$_____

*With your donation of \$200 or more, we will send YOU a SunKing Pro solar light as a gift. Donations must be received by Dec. 15 in order for your light to arrive by Dec. 25.

Your name: _____

Email address: _____

Please make checks payable to Power to the People and mail them to:
PO Box 2572 Berkeley, CA 94702. A receipt will be emailed to you.
Your donation is tax deductible. You can also pay online on our website.

SunKing Pro

Power to the People is a 501c3 non-profit organization creating opportunities for people to improve the quality of their own lives through the installation of renewable energy technologies.
